

Chicoralee “Chic” Robertson

Chicoralee “Chic” Robertson is a USPSA competitive shooter and a certified firearms instructor, and she is also the Baton Rouge Chapter Facilitator of A Girl & A Gun Women’s Shooting League.

Chic is a stay at home mother of 4 children, and has spent the past 13 years dedicated to their homeschool education. As the spouse of a former U.S. Navy Sailor, Chic has a firm grasp of what it takes to carry the household alone for long deployments and the need for home and self-defense. She became a certified concealed carry instructor specifically to teach other women and new shooters the knowledge and skills necessary to carry a gun responsibly and with confidence. Everyone at FRC is delighted to have her aboard, and we are all looking forward to having Chic on our staff for many years to come!
